Residential (Renter):

WATER.....	\$150.00
GAS.....	\$300.00

Pecan Grove Apartments:

WATER.....	\$100.00
GAS.....	\$90.00

COMMERCIAL BUSINESS:

These are evaluated on a case per case basis on previous history average billings. Any cost for new meters, labor or supplies to install will be charged to the new business as part of the deposit package.

Deposits are intended to approximate the average charge for several months of service at seasonal peaks. In the event such service increases for any location where deposits are not equal to the charges for the peak months, the required deposit may have to be increased to match new peak usage.
